HTTP://WWW.TRISTMAN.COM

## NO SLEEP

Creative, energetic and humorous, I am always seeking new work with intelligent people. 12+ years experience in graphic design and web site development. 10+ years experience as software and web programming instructor. Proficient in all industry standard software and front end coding including (X)HTML/CSS, HTML5, CSS3, XML. PHP, JavaScript, Flash, ActionScript 2 & 3. Internationally published illustrator with clients including *The NY Times* and *HBO*.

## HUSTLIN'

2005 & 2010 - PRESENT

### FREELANCE DESIGNER/DEVELOPER - NYC

Freelance designer, mainly in interactive media. Art direction and coding for clients in a variety of fields including advertising, cosmetics, pharmaceuticals, entertainment. Projects ranging in scope from banner ads to full site design/builds.

2007 - 2010

### INTERACTIVE ART DIRECTOR - ROSETTA MARKETING GROUP - NYC

Graphic designer for marketing agency with corporate and pharmaceutical clients. Art direction and production work on multiple client jobs and new business pitches. Occasional front end coding.

2002 - 2005

### SR. INTERACTIVE DESIGNER - MATRIX (L'OREAL) - NYC

Responsible for the design and execution of interactive communications (web, cd-rom, HTML emails) for *Matrix* (division of L'Oreal). Designed and directed the re-launch of *matrix.com* which became the most heavily trafficked site in the L'Oreal companies. Art directed and executed numerous specialty web sites and CD-ROMs intended for professionals in the cosmetics field.

2009 - PRESENT
